

KM-220

Part #: KM-220

Eliminate flies in your facility!

40 watts

**Warehouses, Barns,
Garages, Dock Bays, and
other outdoor areas!**

CEILING MOUNT INSECT LIGHT TRAP

CEILING, AGRICULTURAL

The **KM-220** Insect trap is compact, and ceiling suspended for areas where high insect populations persist. The 40 watts of U.V. light attraction is the **highest available** in a trap of this size. It is open on both sides and kills insects on a protected electrified grid. Dead insects just fall to the ground or contained in an optional removable drawer.

The light trap should be suspended from a ceiling - mounted 6-10 feet high.

shown with optional
insect catch tray
